Sharing Someone's Pain

We are passionate about making a difference in the lives of people we come in contact with through the work of Crossroads Ministry. We don't always realize the impact we're making, because some people are only with us for a short time, and then move on to their next place. However, there are some who we get to visually experience their progress, and celebrate with them how far they've come. Recently, a neighbor who we had the privilege of helping sent us a note expressing her gratitude to the compassionate teamwork she experienced as she was receiving assistance. Here's what she had to say:

"To know someone's pain is to share in it. And to share in it is to relieve some of it."

I was reading an article recently and this quote jumped out at me. Instantly, my thoughts went to all of the beautiful people that I have come to know and be grateful for at Crossroads Ministry in Estes Park.

In recent months my husband and I moved, I became unemployed through a reconstruction of my work position, and now recovering from two major surgeries. None of these circumstances were in my plans for 2024!

Crossroads Ministry has opened wide their hearts and doors as Eva reached out to offer services in our time of need. We have been so very blessed in utilizing "The Market" frequently. The front staff, Jan and assistants are full of genuine kindness and are caring individuals. There is a large selection of food choices as well as opportunity to access the Meals on Wheels program directed by Michelle. Additionally, we received financial assistance for a hospital bill and pharmaceutical needs. Aaron always has time in the busyness of the day to stop what he is doing and engage in conversation. To top it off, I met with Jess, a caseworker who gave guidance and hope for the future!

Crossroads Ministry, you strive to live by the Golden Rule, "do unto others as you would have them do unto you" Luke 6:31.

THIS is why we exist as a nonprofit organization! These daily acts of compassion are made possible through the generous support of donors like you. Would you consider making a financial gift to help us take good care of our neighbors?! A little love goes a long way. Thank you for whatever you can give!

Your financial gift is providing food for the hungry, shelter for the homeless, care of the sick, and hope for the weary. We are committed to lovingly journey with neighbors in need for as long as it takes to help them get to a place of self-reliance. Your regular giving allows us to uphold our promise to the kids, teens, and families we serve, and ensures that Crossroads is sustainable for years to come.
